- Cave Springs to have their first Mission Conference October 10-17
- Indian Creek Mission Conference Nov. 4-8

Harvest FWB Church In Raymore Moved

Gene & Sandy Howell and the Harvest FWB church are looking for a group, or groups, to help them get the word out in Raymore that they have moved.

If you can help them do some canvassing on October 24 contact Pastor Gene ASAP at 816 / 719-9374

This will help promote their Building Dedication which will be on Nov 1.

Men's Bible Study to begin in Blue Springs

The last newsletter told you about that Kimbely Moore had started a Women's Bible study. Now that this has taken hold, Pastor Dennis will lead the first Men's Bible Study in the evening of Sept 22.

They will be following the book, "**The Man in the Mirror: Solving the 24 Problems Men Face.**"

The young adults that are being reached there are eager to learn more about their Lord. So, keep the Springbrook FWB church in prayer as they continue their outreach programs to the area.

Jail Ministry in Troy

Pastor Terry Burke felt lead to begin a jail ministry at Troy recently and the outreach has already seen great results.

In his second meeting with the guys there he was reunited with an old school mate.

Terry said that he was surprised to see the class mate there and the inmate was surprised to see that Terry was the preacher.

The result was that the classmate and one other man tearfully received the Lord that night. Praise the Lord!

If you would like to send *Jeffery Hardwick Jr* or *Bobby Water* a postcard or letter to let them know you are excited about their decision here is the information.

Troy, MO 63379

Pastor Fermin to travel to Guatemala

Our Spanish speaking pastor is going to go to Guatemala, *of his own expense*, soon to try to solidify the small congregation of believers that came out of his church in Monett. He will try to train a leader there so they can have worship services and have organized outreach.

Yes, we have a MO FWB State Mission Project that has birthed a new church in another country!

Keep Fermin and Clara in your prayers as they make this trip and as they try to bring this group of believers together as a better organized group of Free Will Baptist believers.

Rich is the person who has a praying friend.

FWB Mission Prayers

Support Walk in October

Clara Sanchez. They are checking on a doctor in Joplin who does surgeries for Spanish speaking people at a cheaper rate than normal. This would allow them to stay close to home for the surgery and recovery period.

SHOW ME PLAN TOTALS:

End of July total
\$212,355.05

The enthusiasm for the Support Walk is climbing as the associational coordinators have begun their promotion of the event.

As the Sponsor Sheet asks, please spend some time in prayer before beginning your pledge gathering.

Some walkers have done that and started their sponsor gathering. In fact, I have one report of one person who has already raised \$1,000.00 in pledges. PTL

CHANGE IN AWARD!

Due to a reason beyond my control, there has been a change from the Support Walk shoes to different gifts for those that raise at least \$200.00.

Those hard workers will be rewarded with either an MP3 player or a large, embroidered duffel. (*I suppose that if you raise \$1,000.00 you should get both.*)

Remember that funds that are collected prior to your walk will be counted for the award/s.

Thank you for all your hard work in participating in this historic event for MO Free Will Baptists.
