Support Walk Begins!

Tomorrow, *Oct 3*, begins our first State Wide MO FWB Missions Fund Raiser!

Five Associations; *Kansas City, Liberty, Mid-Rivers, Mission* and *Springfield* are taking their turn first. Next Saturday the *Cave Springs, Central Western* and *South Central* Associations will take their turn.

Keep these events in your prayers as they walk and pray for our FWB Great Commission Endeavors!

Liberty Association Mission Conference

The Liberty Association collected \$10,938.00 for their Mission Conference this past week. Praise the Lord!

The funds were split between Nate Altom, Bud Bivens, George Lemelin and Fermin Sanchez.

The Liberty Association did a wonderful job of making the missionaries feel welcome and appreciated.

The Palabras de Vida Eterna church, Praise Band supplied some music for the finally on Sunday evening. It was great!

Pastor Fermin to travel to Guatemala

Our Spanish speaking pastor is going to go to Guatemala, *of his own expense*. He leaves Oct 5th to try to solidify the small congregation of believers that came out of his church in Monett. He will try to train a leader there so they can have worship services and have organized outreach.

Yes, we have a MO FWB State Mission Project that has birthed a new church in another country!

Keep Fermin and Clara in your prayers as they make this trip and as they try to bring this group of believers together as a better organized group of Free Will Baptist believers.
